

Ok Guys

Long story short – Vista Service Pack 2 fried my Desktop and Laptop which has caused the delay in getting the mail out this month and I was down watching the Durham 2 V's Glasgow & North Strathclyde 2 ICC match on Sunday which we won (all of the players in the team this weekend are/were Singles League players, so if you see them say well done!).

New pools are up, timer is counting down: [Shuttleworks Singles League - The Leagues](#)

We have some new deals from those willing to help, they are all detailed here: [Shuttleworks Singles League - Booking Courts](#)

Any problems just let us know and always remember Games played will always count in front of Walkovers!

Good Luck and let's make Singles League Sunday a goer as it's getting too crowded at night and it took a lot of work to get the centre to agree to open
