

Hi Guys

Firstly to all of you that have so enthusiastically played your matches thus far a big THANK YOU!

Matches have all to be played by the end of this month, so can any of you that have still to play matches please do so or let us know if you cannot play so we can start to organise the pools properly for next month. Attached is a copy of the pool lists and the contact list again.

You might be surprised to know that there are a lot of people watching us and keeping their eye on the league as it is in their terms "a runaway success", a simple idea modernised and driven by the enthusiasm of the people involved. If you didn't want to play it just simply wouldn't work.
