

Good Morning Everyone

The pools are displayed online at - [Shuttleworks Singles League - The Leagues](#)

We are sorry for the delay; it was caused by having to verify scores that were not reported as well as adding some new people into the leagues this month.

If you have any questions please do not hesitate to ask (we don't bite but have been known to hit people with water balloons in the summer) but we hope the following will answer as much as possible:

- This month will cease on the 31<sup>st</sup> August, again it is extended to cater for people who may be away on holiday
- The groups have been reworked in anticipation for next month's monthly pools resuming
- Only the numbers have changed, you are all playing the correct people that you would have been playing
- Yes the site has changed slightly, we have added a page that shows all emails sent from us in case they have been caught in your junk folders
- There have been no new rule updates, but please do try to read the rules, they do come in handy if there is a tie or issue in your group
- Please check out the new courses and sessions page for up and coming sessions you can join in with
  
- Admin Fees are due by the end of this month 31<sup>st</sup> July as per our previous communication.

Go look at your pools, give the other players a call and get your games started; best of luck to all!

Thanks
