

Dear All

Just a quick reminder that all scores need to be submitted by the e-mail form on the website not written on the pieces of paper showing the pools at the Cockburn Centre (as not all matches are played there). The only way to have your scores updated on the website is to use this form, no other means will be accepted. Please try and submit your scores promptly after your matches so the site can be updated as quickly as possible.

This is the link for posting scores: <http://www.singlesleague.co.uk/page007.html>

Also since we received mostly positive comments about the donation situation from our earlier mail, we have installed a paypal donation button on the main page of the site. Please remember Paypal take 5.4% of all donations made and at least this way we can issue receipts if required. If you want to donate directly without going to the site a link is supplied below:

Many thanks,
